THE DAILY STRUCTURE

01 THEORY

A focused theory portion introducing the concepts and principles behind the day's work.

02 LIVE DEMONSTRATION

Demonstrations by Joseph and guest educators, showcasing techniques, systems and problem solving in realtime

03 HANDS-ON MENTORSHIP

Students work on live clients while receiving direct guidance, feedback and mentorship.

THE GOAL:

Don't simply repeat a haircut. Students will be able to assess and tailor a style based on client requests that are suitable for them.

Prepared & Ready

By the end of the course, you will possess the knowledge and practical skills necessary to execute both classic and trending styles commonly seen in barbershops. You'll be ready to work in a professional environment as you continue to grow and develop.
